

Capability Statement

1. About Us

Scott's Specialized Security Services is a multi-faceted 100% locally owned business established by Brian Scott, who has over 20 years of diverse experience in the Security industry. Delivering a fully focussed Client based service to businesses in the Wide bay Burnett Region is our promise. Our security staff are highly trained and experienced professionals providing only the best security and services to our Clients. Scott's Specialized Security Services offer a comprehensive experienced solution adapted to meet our clients' needs. Scott's Specialized Security specialise in integrated security services. Our staff are highly adaptable Security Providers who continually undergo innovative training and technology updates to deliver the greatest efficiency for our clients.

Scott's Specialized Security Services provides for all facets of the Security Industry including large scale security events. With more than 20 years professional experience in diverse areas of the Security Industry, we offer our clients innovative solutions equipped with the latest training and technology. Staying within a client's budget, and exceeding expectations, is as important to us, as it is to our clients.

2. Services We Offer

2.1 Crowd Control

- Large to small Functions
- School events
- Corporate events
- Licenced / Un-licenced venues
- Private functions & Annual events

Scott's Specialized Security Services train our operatives to handle all situations in a professional non-aggressive way required for maintaining a controlled environment. We believe that the major emphasis of the job is customer service, where security forms an essential.

2.2 Cash in Transit

- Transportation of cash or valuables to and from businesses and venues.
- Either by uniformed staff or if required, covertly.
- Correct and lawful use of cash in transit security sealed equipment
 - Cash book documentation
 - Harcor security sealed till and cash bags

Scott's Specialized Security Services offers a complete service which meets the needs of any client requiring the safe and secure transportation of cash or valuables.

2.3 ATM Service Management

- Replenishment of cash
- Re-packing of cash cassettes
- Clearing of faults
- Reconfiguring ATMs

A full end-to-end ATM solution including maintenance services, FLR – First Line Response 7 days a week. ATM replenishment and reconciliation services can also be provided.

2.4 Mobile Patrols

- Full secure lock-ups of premises
- Spot checks
- Parameter checks
- Site Patrols
- Internal and External inspections of premises
- Lock up and unlock services

- Escort staff on and off the site

Our Patrol cars carry out around the clock inspections, servicing all industries.

Patrols can be done as per the clients request and operate 24 hours per day, 7 days per week.

2.5 Static Guard

- Maintain high visibility to deter crime
- Make periodic interior and exterior patrols
- Escort high value movements
- Observe and report suspicious activity
- Assist staff with opening and closing procedures

The requirements of Static Guard service can vary widely from one client to another. Services provided depend on the type of building (high rise, locality, size and design of the building) and the requirements of the organization. We work closely with you to develop security services in accordance with the established work practices and relevant Government Regulations.

2.6 Close Personal Protection and VIP Protection

At Scott's Specialized Security Services, we have a number of ways of making you feel safe and secure. When it comes to Close Personal Protection and VIP Security, we can assist you with:

- Discreet shadowing/surveillance
- Property surveillance guard
- Chauffeurs/guards
- Media control/outside group control

3. Our Mission Statement

To exceed our client's security needs by delivering the highest quality of professional security services based on trust and confidence. To deliver our services in a safe, professional manner, and in accordance with all Legislative requirements, whilst maintaining an outstanding level of customer focus for all services.
